

Piano Bar

The Piano Bar at the Excelsior Hotel Ernst is an insider tip in the Cologne bar scene. With its central location directly at the Cologne Cathedral and yet far away from any big city life, the Piano Bar offers cultivated bar culture in a relaxed lounge atmosphere. In summer, drinks can be enjoyed on the terrace.

During the day, coffee and tea specialties are served along with homemade pastries from Executive Pastry Chef Fabian Scheithe. Tea Master Gold Andrea Helbig is responsible for the perfect brewing of the selected tea specialties.

In the evening, the bar team mixes classic and their own cocktail creations. Live music on the piano entertains the guests. Dishes can be ordered from the menu of the Piano Bar until midnight.

Opening hours: Monday to Sunday, 11:00am to 01:00am (piano music Monday to Saturday from 6:30pm to 01:00am)
